

Union Dues

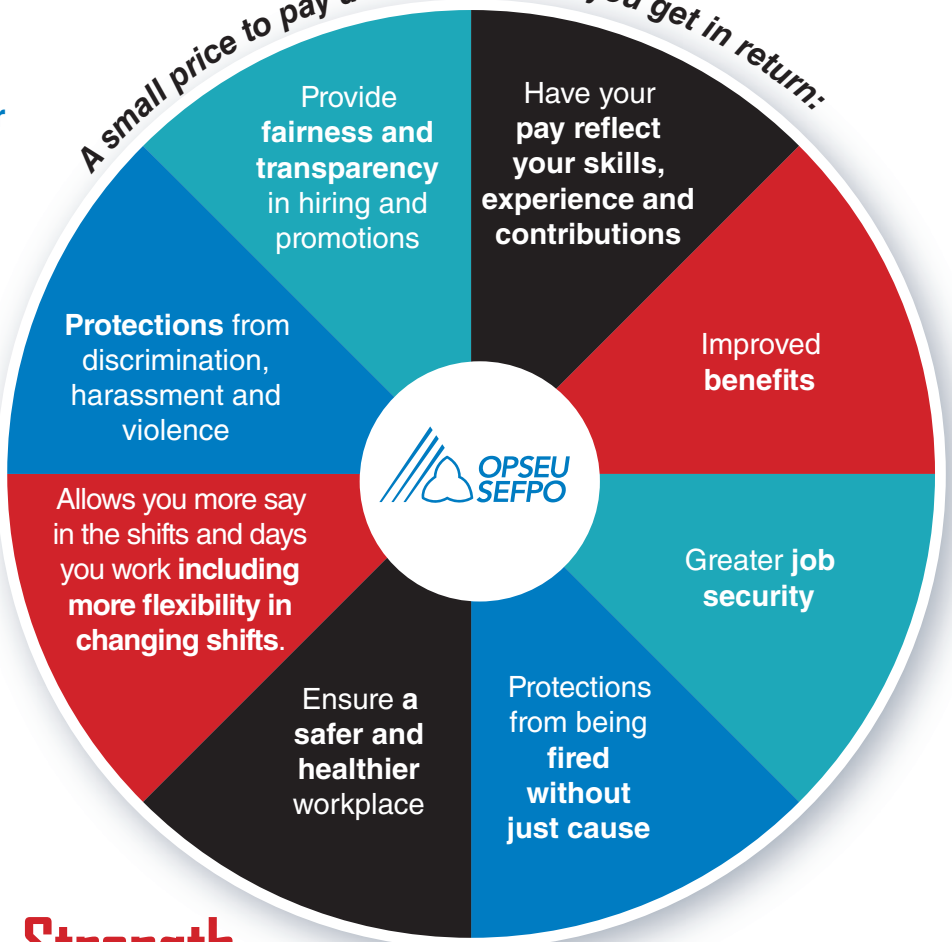

OPSEU membership comes with dues that are among the lowest in North America. We do more for you – for less. Our dues are 1.375% of your gross salary.

There are no initiation fees, dues are tax deductible and you do not pay any union dues until you have bargained your first collective agreement.

The simple math, for every \$1000.00 you earn your dues are just \$13.75.

A small price to pay and here's what you get in return:
